

THE GLORY OF GOD: LOVE

Text: 1 John 4:16-18

What you believe about God determines how you live.

1. God's love is unconditional.

Because God is unconditional, I don't have to prove myself.

2. God's love is everlasting.

Because God's love is everlasting, I am secure.

3. God's love is consistent.

Because God's love is consistent, I can trust God.

4. God's love is perfect.

But God's love is not permissive.
