

RACE & THE GOSPEL: THE HUMAN RACE

Text: Genesis 1:28

Presupposition #1

Racism is real. But not everything is racism.

Presupposition #2

It's easy to reject extremism. It is much harder to address my own subtle prejudices.

Presupposition #3

Every person, regardless of race, has certain biases in their own thinking.

Presupposition #4

We search the Bible to justify what we have already decided.

Presupposition #5

We don't have enough conversations with people that are different.

- 1. God created one race. The labels came later.**
- 2. Jesus died for the human race.**
- 3. The purpose of the Gospel is salvation...
...and sanctification...
...and glorification.**
